Nimbus Labs Employee Handbook

Nimbus Labs is a fictional software company used for demonstrating the Smart RAG Assistant. This handbook summarises the main workplace policies for all full-time employees.

1. Working hours

Core working hours are 10:00 to 16:00, Monday to Friday. Employees may schedule the remaining hours flexibly. A standard week is 40 hours.

2. Annual leave

Full-time employees receive 24 days of paid annual leave per calendar year. Up to 5 unused days can be carried over into the next year and must be used before 31 March. Leave requests must be submitted in the HR portal at least 14 days in advance for absences longer than three days.

3. Sick leave

Employees have 10 days of paid sick leave per year. A medical certificate is required when sick leave lasts more than 3 consecutive days.

4. Remote work

Employees may work remotely up to 3 days per week with manager approval. Fully remote arrangements require approval from the department head. Nimbus Labs provides a one-time home office allowance of 400 euros.

5. Expense reimbursement

Business expenses must be submitted within 30 days with receipts attached. Meals during business travel are reimbursed up to 45 euros per day. Flights must be booked in economy class for trips shorter than 6 hours.

6. Learning budget

Every employee has an annual learning budget of 1,200 euros for courses, books and conferences. Requests above this amount need approval from the head of engineering.

7. Contact

For questions about these policies, contact the People Team at people@nimbuslabs.example.
